6. To see if the Town will vote to raise money for the observance of Old Home Week, and direct how the same shall be expended.

7. To transact any other business which may legally come before said meeting.

Given under our hand and seal at Lancaster, this 22d day of February, 1919.

I. W. QUIMBY,

Selectmen of Lancaster.

SELECTMEN'S REPORT

The amount of money handled this year is larger by several thousand dollars than ever before, being \$79,900.66 as against \$76,497.43 last year. Of this amount \$33,738.64 was paid the school districts; \$5568.80 for State tax; \$5336.95 for County tax, being the largest items. The Savings Bank tax was \$6899.59 as against \$7563.05 last year, a loss of \$663.46.

The highway maintenance amount of expenditures are \$8336.27, exceeding the appropriation by \$1336.27, of which amount there was paid \$200.00 for gravel pit in East District; \$1439.70 for permanent roads, viz.: iron culvert pipe, stone roads, graveling roads, etc., and \$1333.20 for breaking roads from Feb. 1st to April, making the net cost of town repairs, \$4126.72. Up to Feb. 1st, this year, the expense of breaking roads has been so slight that no separate account has been kept. The winter of 1917-18 was a record one on road breaking costing the large sum of \$2730.19.

To the permanent roads item, as mentioned, (\$1439.70) should be added the sum of \$695.65, out of the former appropriation for the Mt. Prospect road, making a net sum of \$2134.43 in permanent roads, divided as follows: East District, \$764.07; South District, \$547.87; Village District, \$127.84 and the Mt. Prospect road, \$695.65.

New sidewalks of cement were laid the entire length of Hill Street and in front of the L. F. Moore store on Middle Street.

We have taken up or paid long time notes of \$2600.00 and have hired \$1000.00, making a decrease of \$1600.00 of outstanding notes. This shows a reduction of debt, however, of only \$287.81, although there is a balance of \$4919.02 in the Town Treasurer's hands, that being used to offset the liability of highway unexpended balances.

We give these statements and figures as supplementary to the following pages, as we thought it would more thoroughly explain the facts.

TOWN SCHOOL DISTRICT

We can report the ten schools in our district as doing good work, considering the conditions of the past year.

Teachers and scholars have had extra work to do but we hope the coming year that parents of the scholars will show an increased interest in the schools and work with the teachers for a more perfect attendance.

There are 30 scholars from District formerly No. 3 attending the grades in Union School District. The tuition pupils at the Lancaster High School and Academy — Spring term, 27; Fall term, 29.
